**Would you like to be able help your child with their number work?**

If the answer is yes, come along **tonight** for our Maths Information session at **7.00pm**.

The more the merrier, so we can play games and have some fun! Maybe you'll be able to demonstrate the way you use numbers.

We will concentrate on the Number strand, looking at the importance of understanding numbers and how they work together.

**Looking forward to seeing you tonight.**

**Small Schools Swimming Carnival**

Tomorrow, all those students who have returned their notes, will be meeting at the Oasis Swimming pool for a 10am start.

Please ensure your child is transported to and from the pool under your directions.

It will be pleasant to have as many parents as possible at the pool, encouraging all our students.

Under the leadership of our sports captain, Riley, all students will be encouraged to be part of Team Ladysmith.

**Small Schools Leadership Day**

On Friday, Year 6 students from Uranquinty, Tarcutta, Kapooka, Collingullie and Ladysmith gathered at the conference centre at Borambola for a leadership day.

Our students had the privilege of having the company of Ms Sturman as she and Mr Stuart from Tarcutta ran the day.

Through team building games, competitions and activities, the students gathered some tools for their leadership bag and developed some skills to help them through this year as leaders.

Here are some quotes from the five boys which outline some of the activities they participated in.

**Ben:** “Doing Work” - writing reasons for being a leader.

**James:** “Fruit Salad” - we played a team building game called Fruit Salad.

**Eddie:** “Newspaper Bride” - In teams we had to design and make a newspaper bride dress.

**Lachlan:** “Scruffman” - we were in team ‘Scruffman’ and we worked together and WON!

**Riley:** “Leaders” - we played games to help you be a leader and to help you lead.
