EVERYONE HARMONISING

At Ladysmith Public School, we celebrated Harmony Day on Wednesday with the emphasis being on everyone belongs. All students participated by wearing clothes and sharing food from different cultures.

Accepting everyone for what they are, is a vital part of our multicultural country. Understanding others and their cultures, increases our awareness and enables us to make educated decisions relating to harmony within our community.

We also worked together to produce a music piece, which showed us all that co-operation enables a project to be successful. Visit You-Tube Harmony Day 2013 by Ladysmith School to see what happened while we were harmonising!!

Rain! Rain! - And an Athletics Carnival

Thursday brought the rain and the athletics carnival. Usually, the two do not go together that well but this time they had to.

Thank you to all the parents who supported our students and their efforts. We had a great day which will remain memorable for many reasons. The rain may be one, but there were many other highlights.

All students who participated showed true school spirit and team effort. Congratulations to everyone who completed an event and those who gained a place.

We will have many students attending the Wagga Wagga PSSA athletics carnival on 7th June.
Full Participation—Ride2School Day
What a wonderful way to start a school day... Riding to school!
How fantastic to see the streets of Ladysmith full of kids riding to school.
Due to the support we received from Bicycle Wagga Wagga and our local parents, the day went off with enthusiasm and fun.
Every child at school on Friday rode to school, participated in the activities, completed maths activities and heard Constable Peter Narouze talk about bike and road safety.
Please visit the school's website after Wednesday, to view photos of Ride2School Day and go to YouTube to watch a video clip.

Bike handles need plugs in the ends!
Many students are riding bikes without caps in the end of their handle bars.
The end caps of the handle bars are vitally important, as uncapped bars are dangerous. Handle bars without end caps can cause nasty injuries.
Please put end caps in your bike handle bars.

Netball trials
Georgia attended the Wagga Wagga netball trials last Tuesday. She had a successful day learning lots from this experience, meeting other netball players and gaining an understanding of PSSA netball.

Ladysmith student selected in Riverina soccer team
Congratulations to Riley who has been selected to represent Riverina at the state trials.
Ben and Riley travelled to Cootamundra on Friday for the trials.

Up and coming Enviro Champs ....
Year 5 students, Georgia, Joannah, Blake and Riley attended the Enviro Champs leadership program at Charles Sturt University last Friday. This was the start of an ongoing leadership course which the whole school will become involved in.
While at CSU, they participated in various leadership games with students from other schools and viewed slide shows of projects undertaken by schools in previous years. Our Year 5 students decided that the title of their project this year will be “Do not fear, the animal savers are here”.
Thank you to Mr McDougall for providing transport on the day.

Hop, Hop, Hopping along, here comes Easter...
Thursday, we’ll have a special assembly at 2.00pm and students are asked to bring an Easter hat for the parade.
Friday and Monday are public holidays, so we’ll see you all on Tuesday.

Music Lessons due to Easter
There will be no music lessons on Monday next week, but we’ll have lessons on Friday 5th April instead, so remember to bring your instruments to school on Friday.

Music Lessons
Enrolments for Music Lessons for Term 2 are now being accepted. If you would like your child to learn an instrument at school during school hours and they are in Year 2 or above, please contact Ramos Music on 6947 1193 between 10.00am and 3.00pm and speak to Julie or Louis.
Alternatively, you can email us on info@ramosmusic.com.au Enrolments are not accepted after week 1 of term, so get in quick to secure your place.

Claim the date:
School Fete—2nd June—11.00am

This Week’s SUPER STUDENTS
K-2— Lana O’Donovan—for good work in number games
3-6— Eligh Field—for learning heaps on Bike Day

P&C Meeting: Monday 8th April—7.00pm
12. Yes. Learning is an ongoing process. Little and often is best.
11. Yes. We are all different. Knowing your own mind helps to give you more energy.
10. Yes. Your mind needs to make connections and see patterns.
